Faith Matters

Are we Living in an Age of Heresy and Apostasy?

Free will vs our destiny and true purpose

God is patient in working and dealing with the weak worldly and stubborn man/woman...

God respects human freedom by refusing to invade humanity and to establish a breach in time without the free consent of one of his creatures.

And there is a freedom of a total abandonment to God: our free will is the only thing that is really our own. Truth: Our health, our wealth, our power - all these God can take from us.

But our free will he leaves to us, even to choose hell. Because our freedom is our own, it is the only perfect gift that we can make to God.

Satan's deception and lie: todays culture and society is telling us, we as individuals have not only the choice but the right to choose for ourselves. We are our own Gods.

What is Apostasy? While heresy is the denial of one or more tenets of the Catholic faith, apostasy is the denial of the entire of Christian teaching, it is defined as "defection from God through entire rejection of the Catholic (Christian) faith after it has been previously accepted.

Have you defected from God?

Were you and your children baptized Catholic? Did you receive the Sacrament of Reconciliation (confession) were you Confirmed? Have you walked away from any one or all of these Sacramental realities?

Are we seeing the "Great Apostasy" unfold before our eyes and "if so" what will be our response and secondly and more importantly what will be God's response?

We must never forget, my dear family, though our opinions and beliefs systems may differ similar to Martha and Mary's in today's gospel.

God's way with man is not dictatorship, but cooperation with his Will and his Commandments is the true purpose of this gift of life.

Do not miss out on the reality of your Salvation, repent, return, and remain in a state of God's grace.

Ave Maria, Fr. Siler
